9 to 14 points — You are a Snow Witch!

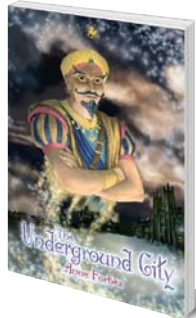

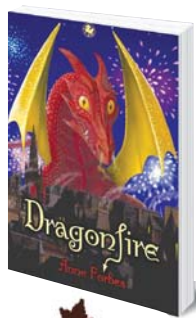

Snow Witches are cool customers. They love the cold, snow and ice and would bring Scotland into another ice age if they could. Their favourite things to do are ski, snowboard, make snowmen and eat ice-cream. Snow Witches like to wear white and look after their appearance. They are particularly fond of animals like polar bears, penguins and seals. They really don't like sunny summer holidays or blazing fires.

15 to 21 points — You are an Earth Witch!

Earth Witches are "proper" witches. They wear a lot of black and don't mind if their clothes get a bit mucky — that's what happens when you play in the dirt! They love flowers, trees and grass. They very happily live below ground and never get claustrophobic. Their favourite things to do are gardening and exploring underground caves. They particularly like rabbits, moles and badgers. They really don't like the cold weather.

22 to 27 points — You are a Wind Witch!

Wind Witches love the freedom of flying. They are dare devils who like to take risks and never get scared of heights. They have the most fun when they are sky-diving, gliding and bungee jumping. They really like all kinds of birds except ones that don't fly. Wind Witches can be a bit flighty and change their minds quite often but they are very brave. They really don't like enclosed spaces.
